To live in this 3 level apartment is a great opportunity. The lower level includes a double lock up garage. In this unit the garage area has been divided off into a study area in lieu of the garage, but can easily be converted back.

The mid level of the home includes a dining, kitchen, living area and a central outdoor living area. Also on this level is an excellent kitchen and a second w.c.

The upper level of the residence includes a central main bathroom facility of generous proportions and two extremely good sized bedrooms a small study area is
