

1402/96 North Tce, "The Embassy" ADELAIDE SA

1 1

These apartments were originally designed to be home units and yet take advantage of the hotel scheme as run by the Oaks Group.

This makes them appealing to clients wanting to live in or rent out in the traditional sense as well as investors looking for the best returns possible.

The building also features a community gym, pool, spa, sauna and steam room.

Located on North Terrace it is a great place to live and a convenient place for short term visitors as it is walking distance to the CBD and convention centre. In the future it will also be one of the closest accommodation properties to the new Adelaide Hospital.

Position: North facing onto North Terrace
