

9/39 Barton Terrace East NORTH ADELAIDE SA

2 1

The property is an ideal investment currently tenanted for \$850 per month on a periodic lease. We believe the property would re-let in excess of \$1,000 per month.

The property features two generous bedrooms and a large living, dining and kitchen area. This large area has excellent views and offers the apartment lifestyle that suits many buyers seeking to live in this wonderful inner city environment.

The property also includes car park and there is ample on street car parking on Barton Terrace.

The property would ideally suit investors or buyers seeking to acquire a property to live in for their own personal use right on the doorstep of the conveniences of North
