The home is a real surprise inside as it features generous living and bedroom accommodation. The formal living room is set to the front of the home and is large enough to be used as a formal living and formal dining room. Adjacent is the main bedroom suite which is again another generous room and includes a walk in robe and ensuite bathroom. The 'hub of the home' living, meals and kitchen area is light and bright and opens out to the 2 separate courtyard areas. This is a great everyday living area. To the rear of the home are 2 other bedrooms which are adjacent the second bathroom and second w.c and vanity area. The home also features a separate laundry and includes ample storage
