A great property in a great location. Positioned in a desirable group of five near new homes with no walls adjoining together with security gates offering privacy and security in this sought after location.

The property includes three or four bedrooms, two living areas, one on the upper level and one on the lower level, a double garage and excellent courtyard gardens.

This property includes the opportunity to be able to lock-up, go away and come back to the easy care maintenance gardens and home without having to worry about the
