Built in 1995 this property boasts two generous living areas, three good size bedrooms all on 386m2 of land. This residence offers the opportunity for buyers to acquire a generous courtyard style home.

The property itself features an entrance hallway that leads to three good size bedrooms and a generous main bathroom facility.

There is also an excellent laundry facility and a great living area comprising sitting room and dining room and a well appointed kitchen adjacent to the generous family room with direct access to an outdoor living.
