Absolutely immaculate is a great way to describe this freestanding home unit with no walls adjoining to living areas.

When we say immaculate we must state this is the most immaculate single level home unit that we have ever sold and we mean immaculate.

This home unit is an end unit with a wonderful feel about it. The moment buyers enter the property and go into the generous living room they will realise it has a great feel about it, together with a wonderful outlook over the central lawns and gardens of the four units.
