What a great opportunity to acquire a new age home in a wonderful new subdivision with a park and playground. So close to the beach and city. Low maintenance gardens.

Comprising excellent living accommodation of a separate formal lounge room and a light and bright everyday living and dining room. Adjacent is the well equipped kitchen with caesarstone bench tops and a handy breakfast bar. This great "hub of the home" area opens out through double glass sliding doors to the lovely outdoor living space and the lawn and garden areas of the home.

The lower level also includes a powder room with W.C, a euro style compact laundry with storage facilities, storage provision under the staircase and a single lock-up garage with a handy drive through access to park extra cars
