This amazing home will suit many buyers who seek something a little different. It is part of a development that is exciting and in a location that is amazing. Close enough to walk to the city and Norwood Parade. Enjoy life in 32 Edmund Street, Norwood.

The home includes a large wrought iron gate at the front, leading through to a massive front door that gives access to the extremely large open plan living, dining and kitchen. This area is divided by an open modern style central staircase that gives a designer look to this stunning living area that also features high ceilings and architectural flair. This living area also opens out to an excellent outdoor living area, that leads through to the double lock up garage
