What great value for a renovated townhouse. High lofty ceilings. Very large living area, very large kitchen, separate dining room with second living room. Wow! Complimented by a lovely northern sun, the kitchen with lots of storage and bench space is a real treat. Both living areas have a private courtyard area to overlook. You will be impressed.

The bathroom has been renovated and is spacious with a warm neutral decor.

The laundry has a wall of cupboards for extra storage.

The upper level features the bedrooms. The master bedroom is very generous in size and features a new quality built in robe. Both bedrooms have direct access to the private balcony and enjoy a lovely rural outlook. You may even spot a few Koalas in the adjacent tree tops.
