This well designed home offers quality fixtures and fittings and a generous entry hall that leads through to the open plan living, dining and kitchen area. This generous area has direct access into the garage and externally to an outdoor living area.

The home includes 3 good size bedrooms and an excellent main bathroom with a separate w/c and a separate laundry facility. The main bedroom includes a generous ensuite.

This is a great style of home. It has an excellent look from the front and quality fittings and fixtures.
