

53 Victor Road PARADISE SA

Vacant allotment of land of some 350m² in an excellent location.

Build your own dream home and live in a very desirable location.

There are approved plans to build a home on this site if you choose to use them. This is not essential and you can build whatever you like on the allotment subject to council approval.

There is a new home being built on the adjoining allotment and this home gives a desirable aspect for any home to be built on this vacant land that we are now selling.

The position here is excellent. The plans for the property approved are shown but do not have to be used.
