This home is a home for buyers seeking to purchase a residence where they can do some upgrading to the home. It has an upgraded bathroom facility, an excellent double garage in the rear yard ideal for storage or workshop. This will be a benefit to many buyers.

The home itself has an entrance hallway that leads to a living room and further through to a separate dining room, these separate areas are a good size and serviced well by the centrally located kitchen facility with ample cupboard and bench space.

They are three good sized bedrooms in the home. Two in the main part and a third bedroom at the rear of the home.

The centrally located bathroom has been upgraded to a very functional room with separate shower and bath and
