

## 12/ 2 Winter Terrace Prospect SA

3 3 2

High end living at it's best.

The ultimate in architectural design.

You will be impressed with the look of these new residences.

So many bespoke elements to the facades such as...

- > chamfered angled bulkheads
  - > modern aluminium black box window shrouds
  - > a mixture of warm red dry pressed brickwork, modern Axon cladding and black standing seam cladding.
- So many stunning architectural details that will look on trend for many years to come.

First home buyers can receive the full stamp duty exemption and first home buyers grant on these homes.
